

# SCIENTIFIC SPECIALTY: SATELLITE GEODESY

Anomalies in acceleration of gravity (in milligals) at the sea surface.

Map is from David Sandwell and colleagues, Scripps Institution of Oceanography

This map is part of "Discovering Plate Boundaries," a classroom exercise developed by Dale S. Sawyer at Rice University ([dale@rice.edu](mailto:dale@rice.edu)). Additional information about this exercise can be found at <http://terra.rice.edu/plateboundary>.
